MAXWELL'S EXPANSION

Maxwell's, a tavern and restaurant in downtown Islip, just completed an expansion to twice its original size, adding a new raised dining area, a communal table and a wraparound bar plus a fireplace. You'll also find outdoor seating with a fire pit for cooler nights.

A new pub-style menu from executive chef Mario Villalobos includes Buffalo chicken wings with house-made blue cheese dressing (\$8.95), penne alla vodka with prosciutto and artichoke hearts (\$13.95) and chicken bruschetta (\$16.95).

There's also a chipotle BBQ burger (\$9.95), a shrimp po'boy (\$9.95) and spicy Asian pork tacos (\$8.95).
