Kona Longboard Island Lager Hawaii, United States | 4.6% ABV

Longboard Island Lager is a smooth refreshing lager fermented and aged for five weeks at cold temperatures to yield its exceptionally smooth flavor. A delicate, slightly spicy hop aroma complements the malty body of this beer.

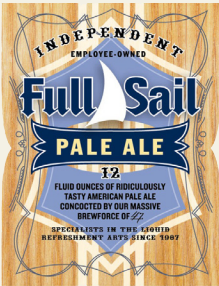

Best With: Pairs well with lighter fare but has enough flavor and body to stand up to some heartier foods too. Try some with herb chicken on mixed greens, garlic twists and Greek pizza.

Full Sail Pale Ale Oregon, United States | ABV 5.4%

Our Pale Ale has a fresh, hoppy aroma that comes from two (top secret) Northwest hop varieties, while two-row Pale and Crystal malt give it a mild sweetness that finishes clean and crisp.

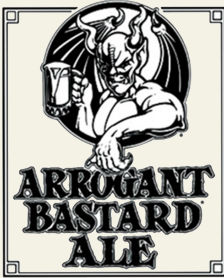

Best With: Seafood dishes like spicy shrimp or crab cakes.

Arrogant Bastard Escondido, California | 7.2% ABV

This is an aggressive beer. You probably won't like it. It is doubtful that you have the taste or sophistication to appreciate an ale of this quality and depth.

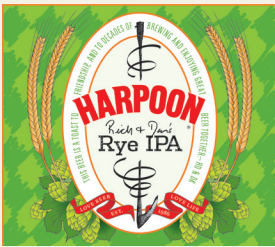

Best With: Pair well with spicy foods such as barbecue, dry-rubbed rubs, or ethnic cuisine such as curry based Indian food, wasabi based Japanese dishes, or spicy Thai entrees.

Rich & Dan's Harpoon Rye IPA Boston, Massachusetts | 6.90% ABV

This beer is brewed with our proprietary yeast – the same yeast we've used since first brewing Harpoon Ale – and some interesting hop varieties. The combination of Pale, Rye, Caramel 60, Flaked Rye, and Vienna yield a complex malt body that stands up to the spiciness of the rye and the pronounced hop flavor. The rye also adds a reddish hue to the beer. The kettle additions of Centennial, Apollo, and Chinook, and the dry hop addition of Falconer's Flight add a multidimensional hop character.

Best With: Pepper cheese, pork, curry dishes
