Most romantic restaurants on Long Island

User rating: [Click to rate](#)

There are as many ways to define a romantic restaurant as there are those looking for one. Marcello and Sophia? Cary and Grace? Or maybe Sid and Nancy? You think it's easy?

That said, here are a dozen restaurants in [Nassau](#) and [Suffolk](#) bridging the traditional and the contemporary. The best advice is to reserve early at these or any other eateries in the running.

How about The Clubhouse in Huntington. Doesn't get more romantic than that! The service is great, its cozy and classy and the food is so good! That's where I am taking my Valentine!
