## **MIRABELLE RESTAURANT AND TAVERN**

**150 Main St., Stony Brook,  
631-751-0555, [lessings.com](http://lessings.com)**

Restaurant Week is a great opportunity to try one of Long Island's most highly praised dining spots. Mirabelle will be serving cheese pumpkin soup with carrot-butternut squash slaw, pistachio oil and crushed pistachio as an appetizer on its special menu. There also will be a wedge salad with caramelized bacon, apple, walnuts and a creamy apple vinaigrette. Mains will include braised lamb shank with green lentil and cipollini onion ragout and, with a \$10 supplement, a grilled rib-eye steak with potato and celery-root gratin. The dessert menu features an apple cobbler, ricotta doughnuts and a ginger almond tart.
