### **Mirabelle at Three Village Inn, Stony Brook**

The historic Three Village Inn, which boasts a white tablecloth dining room and more casual tavern, is offering a French twist on the traditional breakfast buffet, perhaps a nod to noted chef Guy Reuge's roots. Indulge in artisan cheese and charcuterie at the cold display or prime rib of beef au jus at the carving station. Save room for dessert—visitors won't want to miss the chocolate fountain! [Go](#)
