The 22nd annual Stony Brook Film Festival unspools through July 29. There will be movies from the United States and the United Kingdom, Germany and Italy, Israel and Sweden, Belgium and Latvia, more and more.

Here are some restaurants to enjoy before or after the show.

Mirabelle and Mirabelle Tavern in Stony Brook draw you to the Three Village Inn. Try the farm-to-table fare, the dinner menu, the more casual Tavern choices. Recommended: chilled soups, charcuterie, Kobe beef sliders, the lobster roll, Berkshire pork tenderloin, local striped bass, duck any style.
