Southside Bar and Restaurant has announced they will now host "Musingo" every Wednesday from 8 to 10 p.m. The evening features six rounds of "bingo." A variety of songs are listed on the cards. A DJ will play 30-second clips of each song rather than calling out a number. First person to complete a row for bingo wins a prize.

All guests are invited to participate. Drink specials will be served, including half priced glasses and bottles of wine.
