There's nothing better than summer sun and salty breezes! Together, they make for a fantastic day of boating. The only thing that could make it perfect? An incredible lunch or dinner. Reserve a mooring at Powles Marina and dine at Sandbar, in the heart of the Cold Spring Harbor Village, just a quick stroll away.

Sandbar features a polished coastal casual ambiance that creates a sleek backdrop for elaborate American cuisine from both the land and sea. The menu, created by Executive Chef Guy Reuge, combines local fare, tavern favorites and seafood specialties. Select standouts, include:

Fresh, Local Oysters on the Half-Shell

Chickpea Fries with Sriracha Aioli

Tuna Tostados with Wasabi-Ginger and Jicama Slaw

Strawberry and Pistachio Salad with Butter Lettuce and White Balsamic-Thyme Vinaigrette

Lobster Roll with Tarragon served with French Fries

Seared Sea Scallops with Black Rice, Fava Beans, Watermelon Radish and Manga Marmalade

To reserve your mooring, please call Powles Marina at 631-367-7670.
