A sneak peek at LI's Top 100 restaurants

The Top 100 Restaurants were selected by Newsday food editor Marjorie Robins and critics Peter M. Gianotti, Erica Marcus, Corin Hirsch and Pervaiz Shallwani. In addition to the quality of the restaurants, location was a consideration to provide Island-wide representation.

Here are a few highlights from the 2018 Top 100.

Sandbar in Cold Spring Harbor makes its first appearance in the fine dining category, joining its related establishment, **Mirabelle** in Stony Brook. **DOMA Land + Sea** in Cedarhurst is a kosher restaurant that's in the fine dining top 10.
