

Sundays at The Vineyards

Imagine your Long Island guests waking up on a Sunday morning, going out to brunch out east before continuing onto the North Fork. After brunch, your guests would head further East around noon, stop at a farm stand and stock up on local produce for the week. After their leisurely morning, guests begin arriving at The Vineyards around 2:00 for beautiful ceremony overlooking our waterfall and vineyard. The reception begins at 3:00 with a glass of local wine. Enjoy a beautiful afternoon with family and friends at The Vineyards celebrating your wedding. Enjoy dinner around 5:30 and end the evening with dessert at 7:00 as the sun sets on the surrounding farms. As guests leave, they can grab a cup of Hamptons coffee and a locally baked donut from a rustic coffee station to enjoy a relaxing trip home in time for the evening news and a good night's sleep before the coming work week.
