It's Cinco de Mayo weekend. The tequila will be pouring and the tacos served close by. Here are three restaurants where you can celebrate the holiday.

**The Library Cafe in Farmingdale** will be serving holiday-pegged drinks and food. Recommended: Southwestern burrito bowl with marinated steak, chicken, or shrimp; street tacos with either crisp cod with guacamole and pico de gallo, carne asada with shredded jack cheese and salsa fresca, barbacoa chicken with salsa verde, or grilled shrimp with garden salsa and guacamole. Moderate.
