### Local Blonde Returns to Main Street... The Beer That Is

Maxwell's, Library Café, Post Office Café and Finnegan's announce the return of the Lessing's Local Blonde Ale in time for the summer 2013 season.

The signature summer brew is light and crisp with a hint of lemon. Crafted by Blue Point Brewing Company, it is available on draft for \$5.75 or by growlers for \$20 with \$15 refills. In the spirit of summer, Lessing's Local Ale t-shirts are also available to purchase in short sleeve for \$15 and long sleeve for \$20.

Main Street restaurants feature monthly specialty cocktails throughout the summer season. For May, guests may enjoy the Heatherita margarita of El Jimador tequila, splash of triple sec, fresh lime juice, Chambord and raspberry sugar.
