Gatsby's Landing in Roslyn and more Long Island restaurants to try this weekend

Summer unofficially begins on Long Island this weekend. Just check the traffic reports.

But all destinations are not on the North Fork or in the Hamptons. Here are three spots that offer fine food and water views that beckon year-round.

View in Oakdale does boast quite a view of Great South Bay and has summery style. Recommended: garganelli pasta with lobster; diver scallops with lobster-truffle risotto; root-beer-braised beef short ribs; the raw bar; yellowfin tuna tartare; Beijing duck tacos.
