THE BEST
WEEK

SPRING IS IN THE AIR. AFTER COUNTLESS COLD NIGHTS AND SHORT DAYS, THE ISLAND IS REBORN WITH THE SOUND OF GLASSES CLINKING AND MUSIC SERENADING. IT'S OFFICIALLY TIME TO TURN THAT CABIN FEVER INTO SPRING FEVER, EXPLORE EVERYTHING THE REGION HAS TO OFFER AND HAVE THE BEST WEEK!

FRIDAY

Cowboy Junkies hit the stage at Westhampton Performing Arts Center. Songwriter Michael Timmins tells you what to expect on page 65. To make sure you're fully satiated for the raucous show check out the *LI Dining Guide*, 148. May we suggest **The View** in Oakdale? It's on the way. Order the root beer glazed short ribs. We hear good things.
