VIEW, a year-round restaurant with breathtaking views the Great South Bay, is proud to announce that restaurant has earned a Wine Spectator Award of Excellence. "The Award of Excellence (www.winespectator.com) recognizes restaurants whose wine lists feature a well-chosen assortment of quality producers along with a thematic match to the menu in both price and style. Ranging in size from 90 selections to several hundred, these lists are well-focused and tend to emphasize discovery. This year, 2,453 restaurants achieved the Award of Excellence." VIEW's wine selection, carefully curated by General Manager and Wine Director Joe Scalice, earned accolades for its strengths in California, France and New York wines, with moderate pricing and a wide-selection.
