\$1 Oysters at View in Oakdale

Friday, February 15, 2019 @ 3:30 PM

@ View

VIEW (3 Consuelo Place, Oakdale, NY 631-589-2694 www.viewoakdale.com), a riverfront destination overlooking the Great South Bay, has announced \$1 Fisher Island oysters during Happy Hour Wednesday through Friday from 3:30 pm. to 6:30 p.m. at the bar only. Additional Happy Hour specials include: half price well drinks, draught beers and house wines and selected half price appetizers such as Long Island stuffed clams, Peking duck tacos and Artisan flatbread.

All oyster shells will be recycled in conjunction with the Seatuck Environmental Association Oyster Shell Recycling Program - Half Shells for Habitat. The pilot program collects waste oyster shells from local restaurants and uses those shells to enhance the bottom sediment of the Great South Bay to allow for the reintroduction of native eastern oyster (*Crassostrea virginica*) populations.
